

BERNINA GRAN TURISMO IN THE PRESS QUOTES

„Imagine if the Goodwood Festival of Speed and the Mille Miglia would have a baby, that is Bernina Gran Turismo“

Ted Gushue, Petrolicious (USA)

„War ein ganz wunderbares Event. Ich trage mich mit dem Gedanken, nächstes Jahr Teilnehmer zu werden (...) Ihr habt was was keiner hat. Die Atmosphäre ist ganz besonders (...) Und dass Ihr als Team so chilled seid. Großes Kompliment von einem der bei vielen Events war.“

Axel Catton, freier Motorjournalist (UK)

„The Bernina Gran Turismo is everything and more I always hoped a great vintage racing weekend should be. Not only does the event offer an amazing track to race, a great car line up but also it gives room for the participants to have a great time at wonderful locations, talk “cars”, and become a big petrolhead family for the weekend, which will result in some great friendships. (...) I have participated at the Bernina Gran Turismo with my Jaguar in the regularity class this year. and I was simply wowed by the racing and the experience.“

Sebastian Schömann, Munich

„Third time happening, this event seems to be just the perfect size in terms of spectators and participating cars. The quality of the cars is outstanding, the familiar atmosphere and calming landscape leads everyone to pure relaxation. (...) Early mornings in the Alps do have something magical in itself, that being combined with the roaring of engines trying to adjust to the altitude turns this magical scenario into something unreal and mysterious.“

Laura Kukuck, Blogger and Automotive Engineer (Germany)

„What a fantastic weekend we all had at the Bernina - many thanks for all your hard work in making it such a success. It's definitely in my diary for next year and I shall recommend it to my friends as we discussed.“

Jonathan Procter, UK

„Es war eine äusserst gelungene Veranstaltung und wir haben sie beide sehr genossen. Die Strecke ist auch für einen nicht so PS-starken Vorkriegler sehr anspruchsvoll, macht aber trotzdem richtig Spass. Nur schade, dass wir die beiden „Regenläufe“ nicht zu Ende fahren konnten, gerade da kommen unsere Kisten rutschend zum Tragen. Aber nicht nur das Fahren, auch das sogenannte Beiprogramm hat mich begeistert, vorne weg der Abend in La Rösa, ein wunderschönes Ambiente mit einer fantastischen Atmosphäre. Dir und Deiner Mannschaft nochmal ein großes Kompliment.“

Christoph Hofbauer, Teilnehmer (München)

„For the third time, the Bernina GT represented the seasonal highlight for enthusiasts and collectors of classical autos and motorbikes from all over the world at the same time creating a superb publicity for this sport but also for country and people of this «ballroom of the alps» as this area of Switzerland is often fondly referred to.“
